Cattlemen Going To Memphis Meet

MEMPHIS, Tenn.—A large delegation of Florida cattlemen is expected to participate at the 67th Annual convention of the American National Cattlemen's Association here Jan. 26-29 in a special salute to its retiring president, Cushman S. Radebaugh.

Radebaugh, of Orlando and Ft. Pierce, is the first southeastern rancher to head the national organization which has members in 44 states. He will complete a two-year term which found him traveling several hundred thousand miles in this country and to New Zealand and Australia. He was elected president at the association's 1962 convention in Tampa.

The Florida contingent, led by Ralph W. Cellon, Gainesville, president of the Florida Cattlemen's Association, will be joined by 1,500 ranchers and feeders of 40 states.

Also meeting in Memphis will be the American National CowBelles, service and social auxiliary, and the Junior National Cattlemen's Association.

Among the Florida beefmakers serving their industry on national boards and standing committees are J. O. Pearce, Jr., Okeechobee; W. D. Roberts, Immokalee; Thomas L. Sloan, Alto Adams, Jr., and Cushman S. Radebaugh, Jr., Ft. Pierce; Elliott Whitehurst, Winterton.

And Gerald Cayson, Blountstown; R. D. Bennett, Greenwood; J. W. Lowery, Panama City; S. L. Crochet, Clewiston; and Ray Raulerson, Pahokee.

Palm Lake Group Will Meet Feb. 13

The W. M. U. of Pahokee Baptist Church held their regular Monthly program and business meeting, Monday, January 7, at the church, Mrs. E. B. Gamble, president, presided.

Mrs. Guthrie Colvard presented the program entitled "Northwest and Midwest." She was assisted by seven members of the W. M. U. who told of the needs of the Northwest and Midwest states in the home mission field. Mrs. Colvard closed the program with prayer.

Mrs. Gamble announced that a banner will be presented to the circle with the most members in attendance at the monthly meetings.

This month the banner was presented to the Lottie Moon Circle. She also announced that the Palm Lake Association meeting will be held in Delray Beach, Feb. 13, at the First Baptist Church. Mrs. Claude Shirley announced the upcoming mission study in February.

ATTEND WEDDING

Mr. and Mrs. M. P. Stanley left by plane Thursday to attend the wedding of their son, Capt. Millard Stanley to Miss Linda Wandrey in Markham, Ill. The wedding will take place Saturday evening at 6:00 p. m.

CROSS VISITORS

Rev. and Mrs. Walter S. Cross, Jr., Live Oak, visited his parents, Mr. and Mrs. W. S. Cross, Friday in Canal Point.

Jupiter Bank Will Dedicate New Home On Sunday

Palm Beach County's newest and most modern financial institution, First Bank of Jupiter, holds a public reception Sunday, January 12 from 1 to 4 p. m. to permit full inspection of its facilities.

The county's 23rd bank, headed by Board Chairman State Rep. Jerry Thomas and President H. Richard McCord, has just completed a \$200,000 structure on U. S. 1 at Jupiter which is being heralded widely for its exceptional design.

Florida's Banking Commissioner Ray E. Green recently attended formal dedication exercises. Sunday's public reception precedes by one day actual opening of business by a bank which since it was chartered last March has earned an outstanding 9-months record.

Canal Pt. Garden Club Meets Monday

The Canal Point Garden Club will meet Jan. 16, at 3:00 p. m. in the Community Building in Canal Point. After a short business meeting there will be memorial services held in the garden in memory of Mrs. Coburn who was a charter member of the Canal Point and Pahokee Garden Clubs.

Schlitz Offering Cash In Fishing Derby This Year

TAMPA—The Jos. Schlitz Brewing Co. has announced it will sponsor its \$500,000 Florida Fishing Derby in 1964 for the fourth consecutive year. As in previous years the event will be built around some 100,000 tagged fish which will offer anglers the opportunity for cash catches and will give Florida important research benefits.

There will be no major changes from the 1963 event. The derby will again be open to residents and tourists alike, with no entrance requirements except to follow the state's fishing regulations.

The derby will again be conducted in cooperation with the Florida Game and Fresh Water Fish Commission and the Florida State Board of Conservation. These two agencies will tag the 10,000 fresh and salt water fish with all costs defrayed by Schlitz.

Each of the tags are numbered and each number has a corresponding cash value. Tag values are \$25, \$50, \$100, \$1,000 or \$10,000. One \$10,000 fish is released in each of the four zones of the state which have been set up.

FORMER RESIDENT ILL

Gaulden Harrington and Mrs. A. H. Scruggs, were recent visitors in Pompano Beach, where they visited their cousin and family. Mr. and Mrs. Joe McInnis, Mr. McInnis is a former Canal Point resident and has been ill for some time. Friends wishing to send cards may send them to Coconut Creek Subdivision, Pompano Beach, Fla.

Lions To Sponsor Circus In Pahokee

The Pahokee Lions Club met Tuesday, January 7, for their regular monthly business meeting. A committee was appointed to discuss sponsoring a circus. The financial report was given by treasurer, James Vann.

Visiting Lions were Bob Adams, Clewiston and A. R. Harrington, Canal Point. Student guest was Fred Clements. In the absence of Mrs. Sarah Vann, Wayne Hundley acted as pianist.

Region four deputy district Gov. Bob McMichael announced that he is the Oakland Park candidate for district Governor in this district, with him was his campaign manager, Dr. John Ottino of the Ft. Lauderdale, downtown Lions Club.

It was announced that the speaker at the next meeting will be Mrs. Alys Okie, she will speak on the plans of the proposed new hospital for Pahokee.

Ray Green Wants To Be Reelected To Comptroller Job

State Comptroller Ray E. Green today announced his candidacy for reelection.

Green, the 24th Comptroller of Florida, also said that his son-in-law, John A. Madigan, Jr., prominent Tallahassee Attorney, would again serve as his state campaign chairman.

Tom Humphries, executive vice president of the Tallahassee Bank and Trust Company, will serve as treasurer. The Tallahassee Bank and Trust Company, will be the depository.

The Comptroller said the changes brought about in Florida by the tremendous growth of the state during the last ten years, calls for experienced leadership in state government to meet the ever increasing new challenges.

"There is no substitute for experience and performance in business or government," Green said. "Both are vital in developing programs to meet the demands produced by growth, and the increase in requests for services by the consumer and the taxpayer."

"The experience I have gained during my 21 years in private business and 23 years in government is proving more valuable each year in my contribution to better government and in serving the people of Florida. I started my political career as mayor of Clearwater in 1935. After serving for two unopposed terms, I became Clerk of Pinellas County Circuit Court. I served in that capacity through 1948 and in 1949 was appointed assistant state comptroller, and subsequently became comptroller."

Veterans Office Secures Refunds

Following is a breakdown of recoveries for Palm Beach County for the period July 1, 1963 through December 31, 1963 as reflected in the official records of this office: Total \$249,540.12.

Adult Education Classes Resume At Belle Glade Hi

Adult Education credit classes resumed meeting following the holidays on January 5, 1964 at Belle Glade High School, Bryant School, East Lake School, Everglades School, Lake Shore High School, Okeechobee School, Osceola School, Pahokee High School, Rosenwald School. Non-credit classes will resume during the week of Jan. 13th, according to a reminder today by Paul L. Phillips, Director of Adult Education.

Beans Bring \$4.60 And Corn \$3.25

Beans—a scarce commodity on the Glades market—brought an excellent price this week when buyers paid \$4.60 for some beans. Others dropped in price to \$4.25 and \$4.50.

Corn during the week has been bringing \$3.25 and farmers generally are happy with the price. It was thought one time this week that the committee would boost the price a little but after second thought they decided to let well enough alone.

1963 Triumphant Year In Foreign Missions

Southern Baptists designated 1963 World Missions Year, and it became triumphantly so with the realization of a 15-year-old goal of having more than 1,750 active foreign missionaries under appointment. The Foreign Mission Board closed the year with an overseas staff of 1,805 (including 25 missionary associates).

As in 1963, the Board assigned missionaries to two additional countries and planned for future geographical expansion, adopted a budget of \$22,133,031.96 for 1964, and strengthened its administration in several ways. Intensive evangelistic crusades overseas were among the outstanding features of the year.

In the final push toward realizing its goal, the Foreign Mission Board appointed 172 missionaries and reapportioned eight during 1963, reaching an all-time high of 180 appointments in a calendar year (the previous record was 144, set in 1959). It also employed 15 missionary associates for limited terms of special service, making a total of 195 additions to the overseas staff and a net gain of 166 after deaths, retirements, and signations.

The two new countries are Jamaica, where missionaries will assist Baptist churches in special projects and specific ministries, and Iceland, where missionaries will work with an English-language Baptist church ministering primarily to American military personnel. These additions bring to 53 the number of countries to which missionaries are under appointment—an increase of only one over a year ago since Malaya and Singapore were absorbed into the new nation of Malaysia.

Mrs. Homer Barnes was the guest of Mrs. N. E. Carroll in Naples over the weekend.

Postal Cash Up 13 Pct., Bryant 38 Pct.

The sugar boom continues and as a result post office receipts in Canal Point and Bryant are up for the good year 1963. Canal Point with Mrs. Edythe Smith as postmaster showed an increase of 13 percent for the year and Bryant with Mrs. Elsie M. Scruggs as clerk in charge showed an increase of 38 percent.

These two increases in postal receipts are due directly to the increased activity brought about by the sugar boom and the steadily increasing population with its increased business momentum.

Bryant is a rural (branch) of Canal Point and is one of the finest little post offices in Florida. Receipts there in 1962 were \$3,015.61 and during the year 1963 just passed, the receipts jumped to \$4,180.99. A great deal of this increase is due to the business going through the office from the U. S. Sugar Corporation with its new multi-million dollar sugar mill located at Bryant.

The Canal Point office under Post Master Smith, has shown steady increases for several years. Not many months ago the postal department in Washington refurbished and refurnished the interior of the local office to modernize it for today's increased business. Receipts for 1962 were \$13,100.91 and that amount jumped in 1963 to \$14,784.16—a healthy growth in a community that is steadily enjoying increased sugar cane growing activities.

Local PTA Meet On Monday Night

The Canal Point P. T. A. met Monday night in the school cafeteria with W. E. Blackwell president presiding. Mrs. Mildred Larick's third grade won the room count. Mrs. James Gibson, membership chairman, reported a total of 123 paid up members. Mrs. Stanley Hooks, public health chairman, reported that the recent eye and ear check up has been completed.

W. E. Blackwell introduced Miss Jane Plumer, Palm Beach County health nurse, who spoke on "Immunization of Communicable Diseases." She encouraged all parents to keep their children's shots up to date and try the oral vaccine.

Refreshments were served by Mrs. James Gibson, Mrs. Grady Echols, and Mrs. W. E. Blackwell.

BIBLE STUDY

"The Letter to the Ephesians" is the book being taught by Rev. Guthrie Colvard for the January Bible study at the First Baptist Church in Pahokee. The study was opened by a film strip Sunday night and continued through Wednesday night.

The Farm Front

Among the changes in the agricultural picture that have been taking place in recent years in the expansion of services by Agricultural Extension into fields other than those of farm activities.

More recently, with the advent of Rural Areas Development and other programs designed to revitalize rural America, the activities of the Agricultural Agent have been increasingly aimed at serving the needs of non-farm people.

This new concept of Agricultural Extension is to serve all the people, not just the farmers. It isn't exactly a new idea. But recently it has begun to take hold and become really effective.

Although service to farmers is still the main job, the objective now is to follow through, into the towns and urban areas.

HELPING BUILD FLORIDA

With all interested agencies of the Federal government co-operating to advance programs for raising the economic levels in rural areas, the county agent now functions as the local contact for plans to develop all community resources, farm or non-farm.

Available to Extension are all the "brain" resources of our colleges and universities. Actually, our County Agricultural and Home Demonstration agents are members of the University of Florida Faculty. Their offices are considered to be part of the university campus. When you bring a problem or question there, they can get the answer, or expert counseling and advice, from any of the numerous university departments.

Because theirs is basically an educational job, many county agents and their assistants are studying for higher degrees. In Florida, our Extension Service has one of the best records in the South for academic improvement.

Sixty-eight per cent of all agents and assistants in Florida have either completed or are working on masters' or higher degrees.

Incidentally, I noted recently a report that more youngsters from urban homes were enrolled in 4-H work in our state than the numbers living on farms or those who were rural non-farm residents.

The 4-H enrollment figures for 1962: urban, 15,670; rural non-farm, 15,616; farm, 13,315. You can see that 4-H, which operates under Agricultural Extension, has been successful in its appeal to youth beyond the confines of the farm environment.

Such a trend speaks well for success of Extension's expanded program giving new emphasis to the policy of "service to all the people."

In the event you're inclined to worry about the size of our Federal debt—don't.

At 307 Billion dollars the Federal debt equals 52 per cent of national income, compared with 89 per cent 10 years ago.

Then what about the upcoming budget? It's expected to be about 100 Billion dollars for the first time in history. But even that isn't a cause for worry if you look at it in relation to our gross national product. For a number of years, according to one analyst I've seen, the budget has been running around 15 1/2 per cent of GNP.

As now estimated, excluding defense spending, the coming budget will be about 7 per cent of GNP compared with 10 per cent in 1949 and 9 per cent in 1939.

However—as our Gross National Product continues to expand and our population explosion continues, you can expect to see the levels of all types of governmental spending—Federal, state and local—continue to rise.

The reason is simple. You can't give the services demanded by more millions of people without spending more money.

Perhaps you've noticed in recent months the news reports about the Federal mints working overtime to turn out more coins because of a shortage throughout the nation. Latest development is a cam-

your U.S. Savings Bond won't lose its value...or even stop growing

What *hasn't* happened to U. S. Savings Bonds?

They've been stolen and thrown into a river. Mistakenly left in an oven and baked at 400°. Hidden in a cookie jar and eaten full of holes by hungry beetles. Forgotten in a pair of work pants and washed, bleached and spin dried. Cut into tiny pieces by an irate wife. Gnawed by mice, and gobbled up by goats.

Yet, in spite of all these misfortunes, these Bonds weren't lost to their owners. They didn't even stop growing in value.

The Treasury Department keeps a record on microfilm of every Savings Bond sold. So every Bond that's lost, destroyed or stolen

can be replaced. And the service is free.

The safety is just one of the many reasons why U. S. Savings Bonds are the most widely held securities in the world. Another good reason why you should invest in Bonds is the important job they can do right now in making America safer from the enemies of freedom.

Buy Bonds and see if you don't feel pretty good about it.

Quick facts about U.S. Savings Bonds

- You get \$4 for every \$3 at maturity
- You can get your money anytime
- Your Bonds are replaced free if lost, destroyed or stolen
- You can save automatically on Payroll Savings

Sheffields 25th Anniversary Marked

The twenty-fifth wedding anniversary of Mr. and Mrs. Billy Sheffield was celebrated on Tuesday evening, January 7, from 8:00 to 10:00 p. m. by their many friends in the Canal Point, Pahokee area with an open house at the Sheffield home.

Hostesses for the celebration were Mrs. Lee Shirley, Mrs. Ernest Maxwell, Mrs. Leonard Dobrow, Mrs. Robert Apelgren and Mrs. Sam McKinstry, Jr.

Greeting guests with Mr. and Mrs. Sheffield were their children, Wynette, Olga, Jessie Ann and Billy Mac.

Floral arrangements were of pink and silver carnations and were placed on the coffee table and encircled the punch bowl. The table was laid with a white cut-work cloth and appointed with silver candelabra and pink tapers. A silver pitcher was the gift given by the hostesses.

Christian Science Group Of Canal Point

The spiritual meaning of sacrament will be emphasized at communion services to be held this Sunday at all Christian Science branch churches.

Responsive Reading will open with a verse from John (6:35): "Jesus said unto them, I am the bread of life: he that cometh to me shall never hunger; and he that believeth on me shall never thirst." Explanatory readings from the Christian Science textbook will include these lines: "Obeying his precious precepts,—following his demonstration so far as we apprehend it,—we drink of his cup, partake of his bread, are baptized with his purity; and at last we shall rest, sit down with him, in a full understanding of the divine

Let Your Money Earn 4½% Payable Semi-Annual

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $1\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy E Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest-egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount of money automatically deducted every pay day. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace and security means for military strength and for peace. The money saved by individuals helps keep our economy sound.
